

GenderedNews

Intermediate project defense – Friday 26/02/2021

Antoine SAGET, Gloria NGUENA, Mica MURPHY, Nhat Quang HO
+ Ange RICHARD, François PORTET, Gilles BASTIN

Table of Contents

1. **Project, context & goal**
2. **Team & roles**
3. **Architecture**
4. **Technologies**
5. **Planning**
6. **Difficulties**

Context

Example of gender bias:
in 2020, 18 % of biographies
on Wikipedia in French
are about women.

March

M	T	W	T	F	S	S
01	02	03	04	05	06	07
08	09	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

Difficulties

Starting from scratch is rewarding but also challenging:

- Lots of research, less time to develop
- Need to have a clear idea before starting
- Data & RGPD, research & contact

The team communication works well both inside (between students) and outside (with the researchers).

Thanks!

Does anyone have
any questions?
