Learn more about EDCampus

# EDCampus

**EDCampus**

is a project management website, allowing a better collaboration between teachers and students. EDCampus is implemented by Disrupt Campus

**Disrupt Campus**

is a project carried by the UGA. It's a place where teachers and students can be put in touch with project owners.

Let's explore EDCampus a bit further

## Manage...

EDCampus gives you different tools to manage your projects throughout their duration.

## ...your time

You can create tasks, that can be assigned to people and can be organized through a Kanban or a Gantt. This allows you to easily follow the evolution of your projects through time.

The screenshot shows the EDCampus dashboard with a navigation bar at the top. On the left, there are several project categories with icons: 'MES PORTEFEUILLES', 'AUBIC - GARE ET NUMERIQUE', 'BLABLA', 'COMMUNICATION DIGITAL DISRUPT CAMPUS', 'DEBUC', 'DEB1 - MARC DE CAFE', 'DEB10 - MOBILITE INTERNATIONALE', and 'DEB11 - PREPARITE ETUDIANT'. The main area features a calendar for 2019 with a grid of days and colored dots representing tasks. On the right, there is a 'FLUX D'ACTIVITE' section with a search bar and a list of activities, including 'Communication Digital Dis', 'Ruche Connectée', and 'Tickets de caisse et temps'. At the bottom left, there is a small chat window with the text 'Obtenir de l'aide'.

The screenshot shows the 'VUE MINIATURES' interface. At the top, there are navigation icons and the text 'VUE MINIATURES VUE LISTE'. Below is a search bar with the placeholder text 'Rechercher un fichier'. A message states: 'Les dossiers et fichiers que vous créez ici seront partagés avec les projets enfants'. Underneath, there are sections for 'DOSSIERS' and 'FICHIERS'. The 'FICHIERS' section contains a single file thumbnail for 'Guide\_participants-HTC.pdf'. At the bottom, there is a section for 'LIENS EXTERNES' with the text 'Aucun lien externe n'a été ajouté'.

## ...your ressources

You can import and handle numeric resources (such as files, deliverables or publications), as well as financial or physical resources.

The screenshot shows a modal window for resource management. At the top, it displays the date '22/02/2019 21:00' and a 'desactivé' button. The main content area has a grey background with the text 'PRÉSENTATION FINALE' and 'Livrables rendus : 1/3'. Below this is a circular progress indicator showing '33%'. At the bottom, there is a large orange button labeled 'ENVOYER UNE RELANCE' and a smaller green button labeled 'Publiée'.

## Interact and discuss

We offer you a brand new chat feature. With it, you can easily interact with your contacts, and create new discussions, around a specific project or not.

The screenshot shows the chat interface. On the left, there is a 'FLUX D'ACTIVITE' section with a search bar and a list of activities from 'GreenUniversity' and 'MOE CHALLENGE CREA TECH2C'. On the right, there is a 'MES DISCUSSIONS (BETA)' window with a 'NOUVELLE DISCUSSION +' button and a list of discussion participants. A chat window is open in the foreground, showing a conversation with 'anthony.geourjon@gmail.com' and a message 'Coucou'. The chat window also shows the date '2020-11-03 07:09:52' and the name 'LUCA.BISOGNIN'.
