Les tâches : liste et formulaires

The screenshot shows the GLINGATE web interface. At the top right, there is a 'Logout Here' button with a 'Logout' link. Below the header, a navigation menu contains 'Dashboard', 'Booking', 'Task', 'Account', 'Node', 'Lab', and 'Software'. The main content area is divided into two sections:

- New Task:** A form with the following fields:
 - 'Choose a program:' with a dropdown menu showing 'soft1'.
 - 'Choose a reserved card:' with a dropdown menu showing 'arduino/df'.
 - 'Start:' and 'End:' text input fields.
 - A 'Submit' button at the bottom.
- Planned Tasks:** A table with the following data:

Start	End	Software	Node
Wed Apr 06 20:28:57 GMT+200 2011	Wed Apr 06 20:30:37 GMT+200 2011	soft	softdf
Wed Apr 06 20:29:41 GMT+200 2011	Wed Apr 06 22:03:33 GMT+200 2011	azeah	ghqj

Below the table, there are navigation icons and the text '1-2 of 2'. A 'Delete' button is located at the bottom of the table.

Annotations with arrows point to specific elements:

- 'Date de début et de fin de la réservation' points to the 'Start' and 'End' input fields in the 'New Task' form.
- 'Réserveation d'une nouvelle tâche' points to the 'Submit' button in the 'New Task' form.
- 'Historique des tâches' points to the 'Planned Tasks' table.

At the bottom of the page, the text 'Glingate 2011' is visible.

Modification des paramètres du compte

The screenshot shows the GLINGATE web interface for account settings. At the top right, there is a 'Logout Here' button with a 'Logout' link. Below the header, a navigation menu contains 'Dashboard', 'Booking', 'Task', 'Account', 'Node', 'Lab', and 'Software'. The main content area is a form for updating account details:

- 'Username: glingate' with an input field and an 'Update Username' button.
- 'Email: myemail@this.com' with an input field and an 'Update Email' button.
- 'Password: *****' with an input field and an 'Update Password' button.
- 'Access: user' with a dropdown menu.

At the bottom of the page, the text 'Glingate 2011' is visible.

Detailed description: This screenshot shows a dashboard titled 'GLINGATE'. At the top right is a 'Logout' button. Below the title is a navigation bar with links: 'Dashboard', 'Booking', 'Task', 'Account', 'Node', 'Lab', and 'Software'. The main content area features two stacked cards. The top card, 'Grid Statistics', displays 'Number of cards on the grid'. An annotation box labeled 'Nombre de cartes dans la grille' points to this text. The bottom card, 'Grid nodes', contains a table with columns 'Uid', 'Name', 'Sensors', and 'Description'. The table shows '1-1 of 0' rows. An annotation box labeled 'Historique des cartes' points to the table area. The footer includes 'Gingate 2011'.

Detailed description: This screenshot shows a dashboard titled 'GLINGATE'. At the top right is a 'Logout' button. Below the title is a navigation bar with links: 'Dashboard', 'Booking', 'Task', 'Account', 'Node', 'Lab', and 'Software'. The main content area features two stacked cards. The top card, 'Data Store', has a search field labeled 'Name' and a table with '1-1 of 0' rows. Below the table are 'Delete' and 'View' buttons. An annotation box labeled 'Liste des expériences' points to the table area. Another annotation box labeled 'Supprimer des expériences' points to the 'Delete' button. The bottom card, 'Data viewer', is currently empty. An annotation box labeled 'Afficher dans la data viewer les données d'une expérience' points to the 'View' button. The footer includes 'Gingate 2011'.

Editeur, compilateur et uploader de logiciel

The screenshot displays the GLINGATE web interface, which is divided into two main sections: a software management dashboard and a software editor.

Software Management Dashboard:

- Navigation menu: Dashboard, Booking, Task, Account, Node, Lab, Software.
- Section: Your Softwares
- Table of software entries:

Name	Last Modified	Size	Compiled
soft1	Wed Apr 06 18:00:28 GMT+200 2011	1 ko	false
soft2	Wed Apr 06 18:00:28 GMT+200 2011	1 ko	false
soft3	Wed Apr 06 18:00:28 GMT+200 2011	1 ko	false

Annotations for the dashboard:

- Charger un programme dans l'éditeur:** Points to the "Edit and Run" button.
- Historique des programmes exécutés:** Points to the software table.

Software Editor:

- Buttons: New, Enter new name here, Save, Compile, Run on card, arduino52.
- Editor area: Contains the code `void setup()`.
- Output window: Labeled "Résultat de l'exécution".

Additional annotations for the editor:

- Programme à exécuter:** Points to the code editor area.
